

BLUEPRINT TO SARA AND HER QUIRKS

Quirk: Noun (plural quirks), an idiosyncrasy; a slight glitch, mannerism; something unusual about the manner or style of something or someone

1

I won't ask you to do anything I wouldn't do myself.

2

Details are important to me.

3

I am organized.

4

I value technology but it's not my area of expertise.

5

I love people. I also need time for quiet.

6

Time with God, for my family, for myself, + time for work = balance to me.

7

Text and email are the best ways to communicate with me during a busy work day.

8

I'm not afraid of trying something just because it's difficult or scary.
